

Types of actions

Application

Operation

Resistant effort (N) Voltage

Maximum supply time Direct current

Minimum rest time Alternative current

Environmental issues

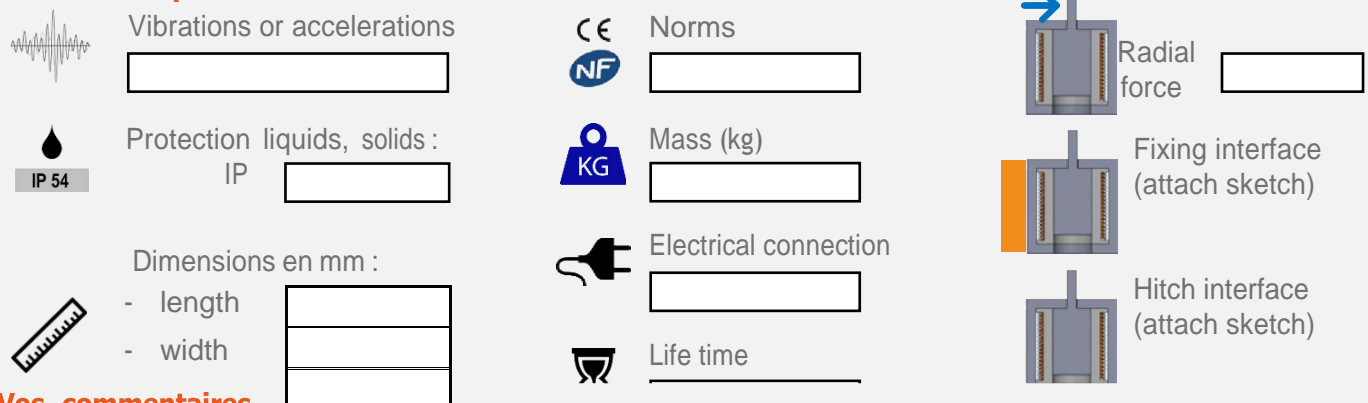

Temperature extremes : Explosive atmosphere Dust

- below -5°C
higher 40°C

Humid atmospheres Corrosive atmosphere Radiations

Technical requirements

Vibrations or accelerations

Protection liquids, solids : IP

Dimensions en mm :
- length
- width

CE Norms

NF

Mass (kg)

Electrical connection

Life time

Radial force

Fixing interface (attach sketch)

Hitch interface (attach sketch)
